

We are pleased to provide you with the attached information outlining the **2010 Canadian Association of Threat Assessment Professionals (CATAP) conference** to be held in Banff, Alberta at the Rimrock Resort the week of September 20-24, 2010. This event attracts police, government and corporate members from all over the world who specialize in assessing and managing violent individuals and organizations for the protection of countries, communities, organizations (workplace violence) and individuals.

The success of this event will be credited in large part to the participation of our sponsors, who lend their names and financial support to the event. To host an event of this magnitude, and attract the most prominent speakers in the field of Risk and Threat Assessment, a large amount of funding is required.

By participating as a sponsor your company will benefit from extended exposure through media campaigns and promotional material both before and during the conference. We hope you will take advantage of this opportunity to further support the education of Threat Assessment Professionals, whose ultimate goal is to keep our communities safe.

The levels of sponsorship, which are detailed on the enclosed sponsorship form, will assist you in selecting the level that best suits your needs, knowing that any level will be fully utilized to host this important event. We are a non-profit organization.

On behalf of CATAP and the Board of Directors, we thank you for giving consideration to supporting the 2010 CATAP Conference. Please see the attached sponsorship form which you may mail to the contact listed. We will be happy to answer any questions you may have.

Sincerely,

Keith Dormond
President, CATAP Executive Board
