

5 Day Violence Risk Assessment and Management Workshop

The Edmonton Police Service is pleased to host **ProActive ReSolutions** who will deliver the Violence Risk Assessment and Management Workshop. This 5 day workshop will provide training in advanced principles of threat assessment; high level skills related to report writing, risk communication and expert testimony; effective implementation of threat assessment procedures in light of organization policies, procedures and operational requirements.

Topics:

- Advanced principles of threat assessment and management
- Writing short reports
- Writing long reports
- Communicating oral reports and conducting expert testimony
- Implementation of threat assessment procedures
 - Focuses on constraints due to organizational policies, procedures, and operational requirements
 - Includes discussion of:
 - Triaging for violence risk to determine when comprehensive assessment is necessary
 - Legal issues (e.g., human rights, privacy and information sharing, occupational health and safety)
 - Implementation of violence risk assessment tools (e.g., multiple tools, competing assessments)
 - Establishment and operation of threat assessment or behavioural intervention teams (e.g., training, liaison with external agencies)

***Please note that attendees must have completed the HCR-20, RSVP, B-SAFER, etc. or the 5 day** foundational training course prior to attending this workshop.*
